

PROJECT UPDATE

- Communicated project plans to Township officials, residents, and PennDOT.
- Organized flagging crews for the safety of the public and our crews.
- Established work zones to comply with COVID-19 safety guidelines.

WHO IS INVOLVED?

General Asphalt Paving, a **qualified PECO contractor**, will be performing the work on behalf of PECO. For this work, some roadways and sidewalks may require excavation, which our crews will perform as safely as possible with limited inconvenience to residents. We are working with local officials to minimize the impact on traffic and pedestrians whenever possible. Access for services such as trash removal and emergency vehicles will be maintained during construction.

FOR QUESTIONS ABOUT THIS PROJECT, please contact Ally Pyrih, PECO project customer liaison, at Alexandra.Pyrih@exeloncorp.com or **484-685-7499**.
